

# TRI·STATE TRAILS

Connecting Indiana, Kentucky and Ohio

## Tri-State Trails Summit August 31, 2018 University of Cincinnati

The momentum for improving trail connectivity in Greater Cincinnati has come a long way since Tri-State Trails was organized as an initiative of Green Umbrella in 2013.

In 2018, Tri-State Trails' Summit will explore how we can advance our collaborative efforts to spur innovation, encourage economic development, and promote equity in future trail development. The Summit will feature **keynote speaker Kären Haley, Executive Director of Indianapolis Cultural Trail, Inc.**, to share the story of how Indianapolis was able to create a world renowned 8-mile bike and pedestrian path and linear park.
